**Hi there! This book is all  
about Cori's fun-filled

**Cori woke up feeling  
excited. Today was going  
to be a stylish day!**

**Cori tore open the box. Inside was a green Nike sweatshirt, matching cargo pants, and fresh white sneakers with a green Nike check. “This is perfect!”**

**Next, Cori sat at the table and picked out a bright pink nail polish. She carefully painted each nail.**

**Cori giggled as she  
looked in the mirror—  
her hair was wild!  
“Time to fix this up!”  
she laughed, grabbing  
her hair supplies.**

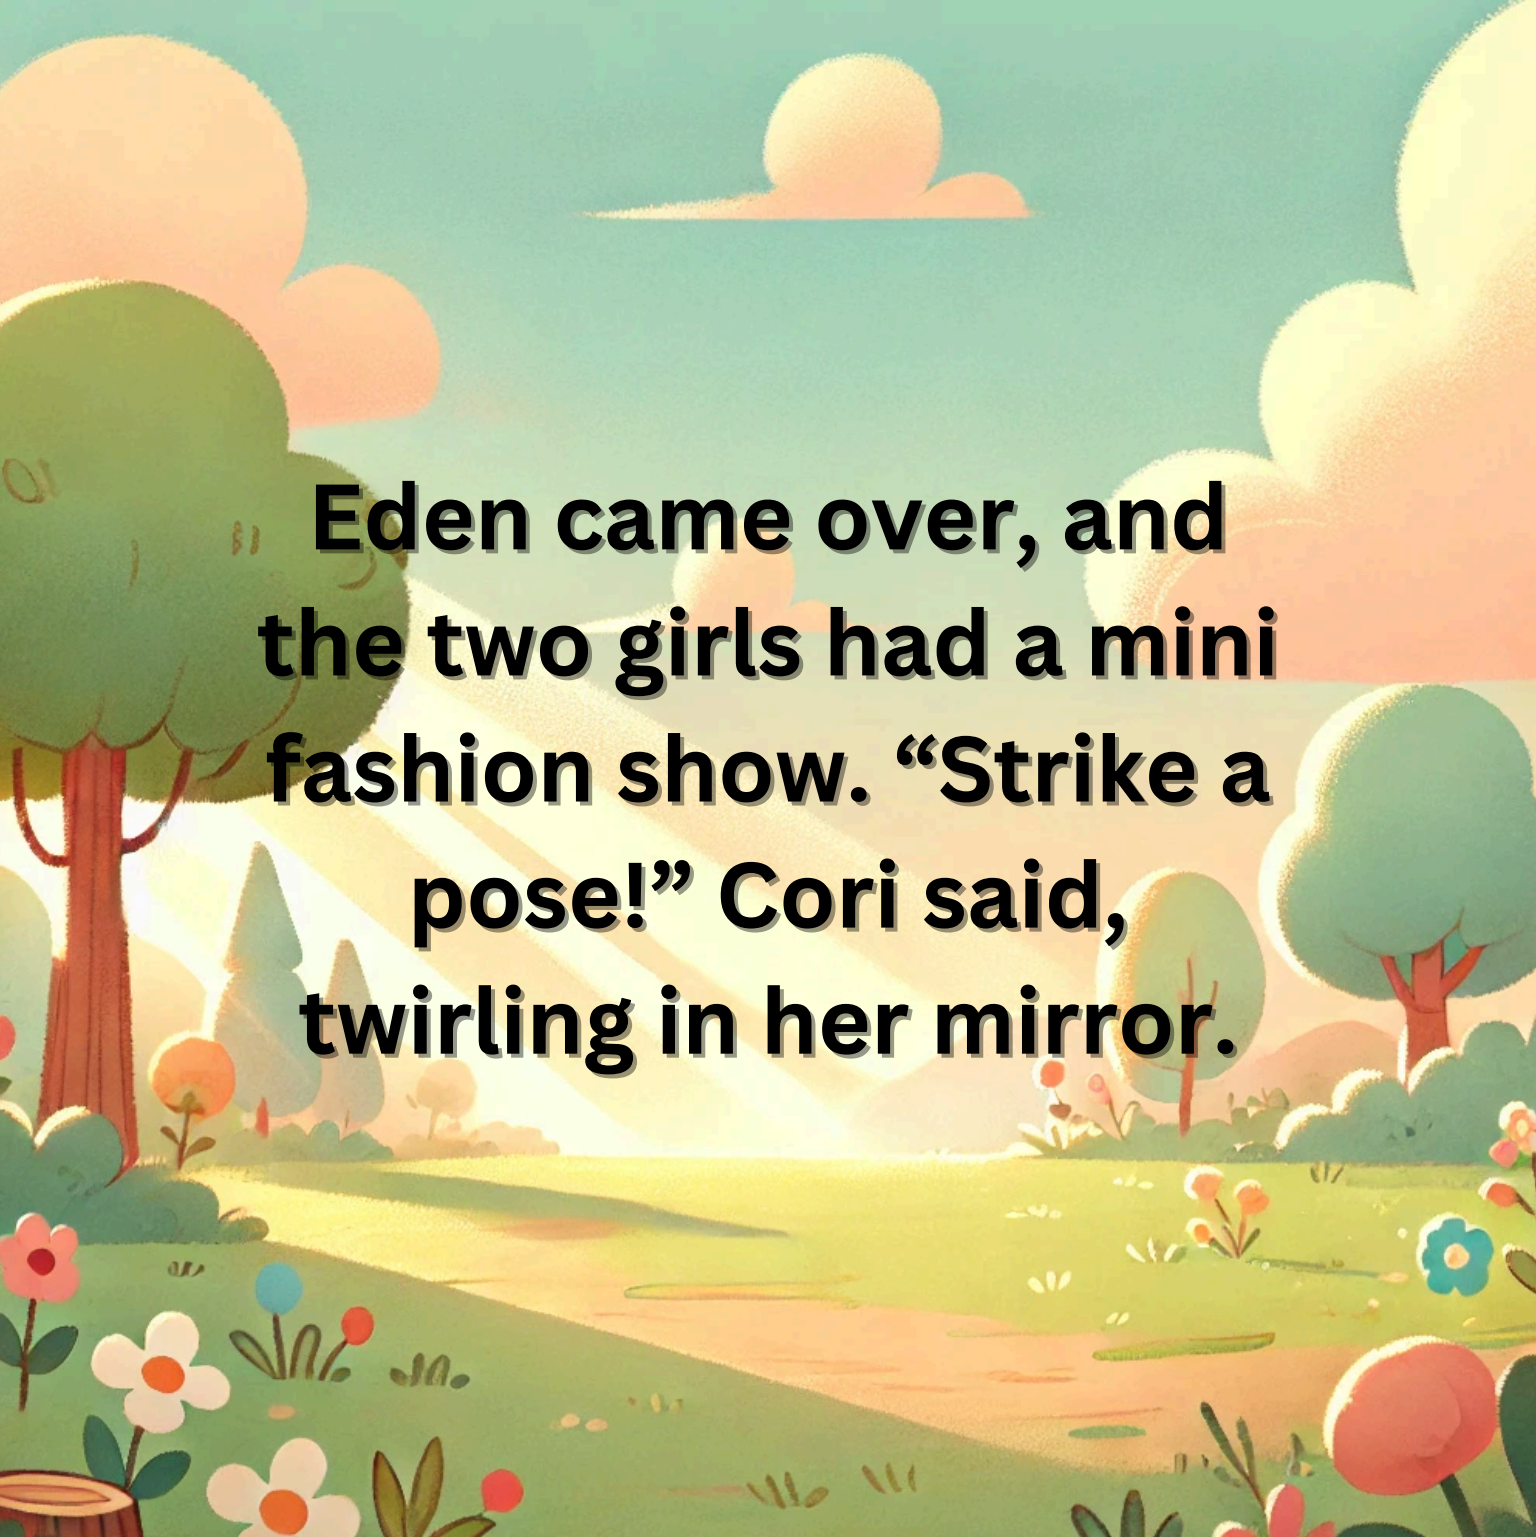

**After getting ready,  
Cori sat down to enjoy  
her favorite dumplings.  
“Mmm, delicious!” she  
said happily.**

**Dressed up and  
feeling fabulous, Cori  
called her best friend.  
“Hey Eden! Want to  
hang out?”**

**Eden came over, and the two girls had a mini fashion show. “Strike a pose!” Cori said, twirling in her mirror.**

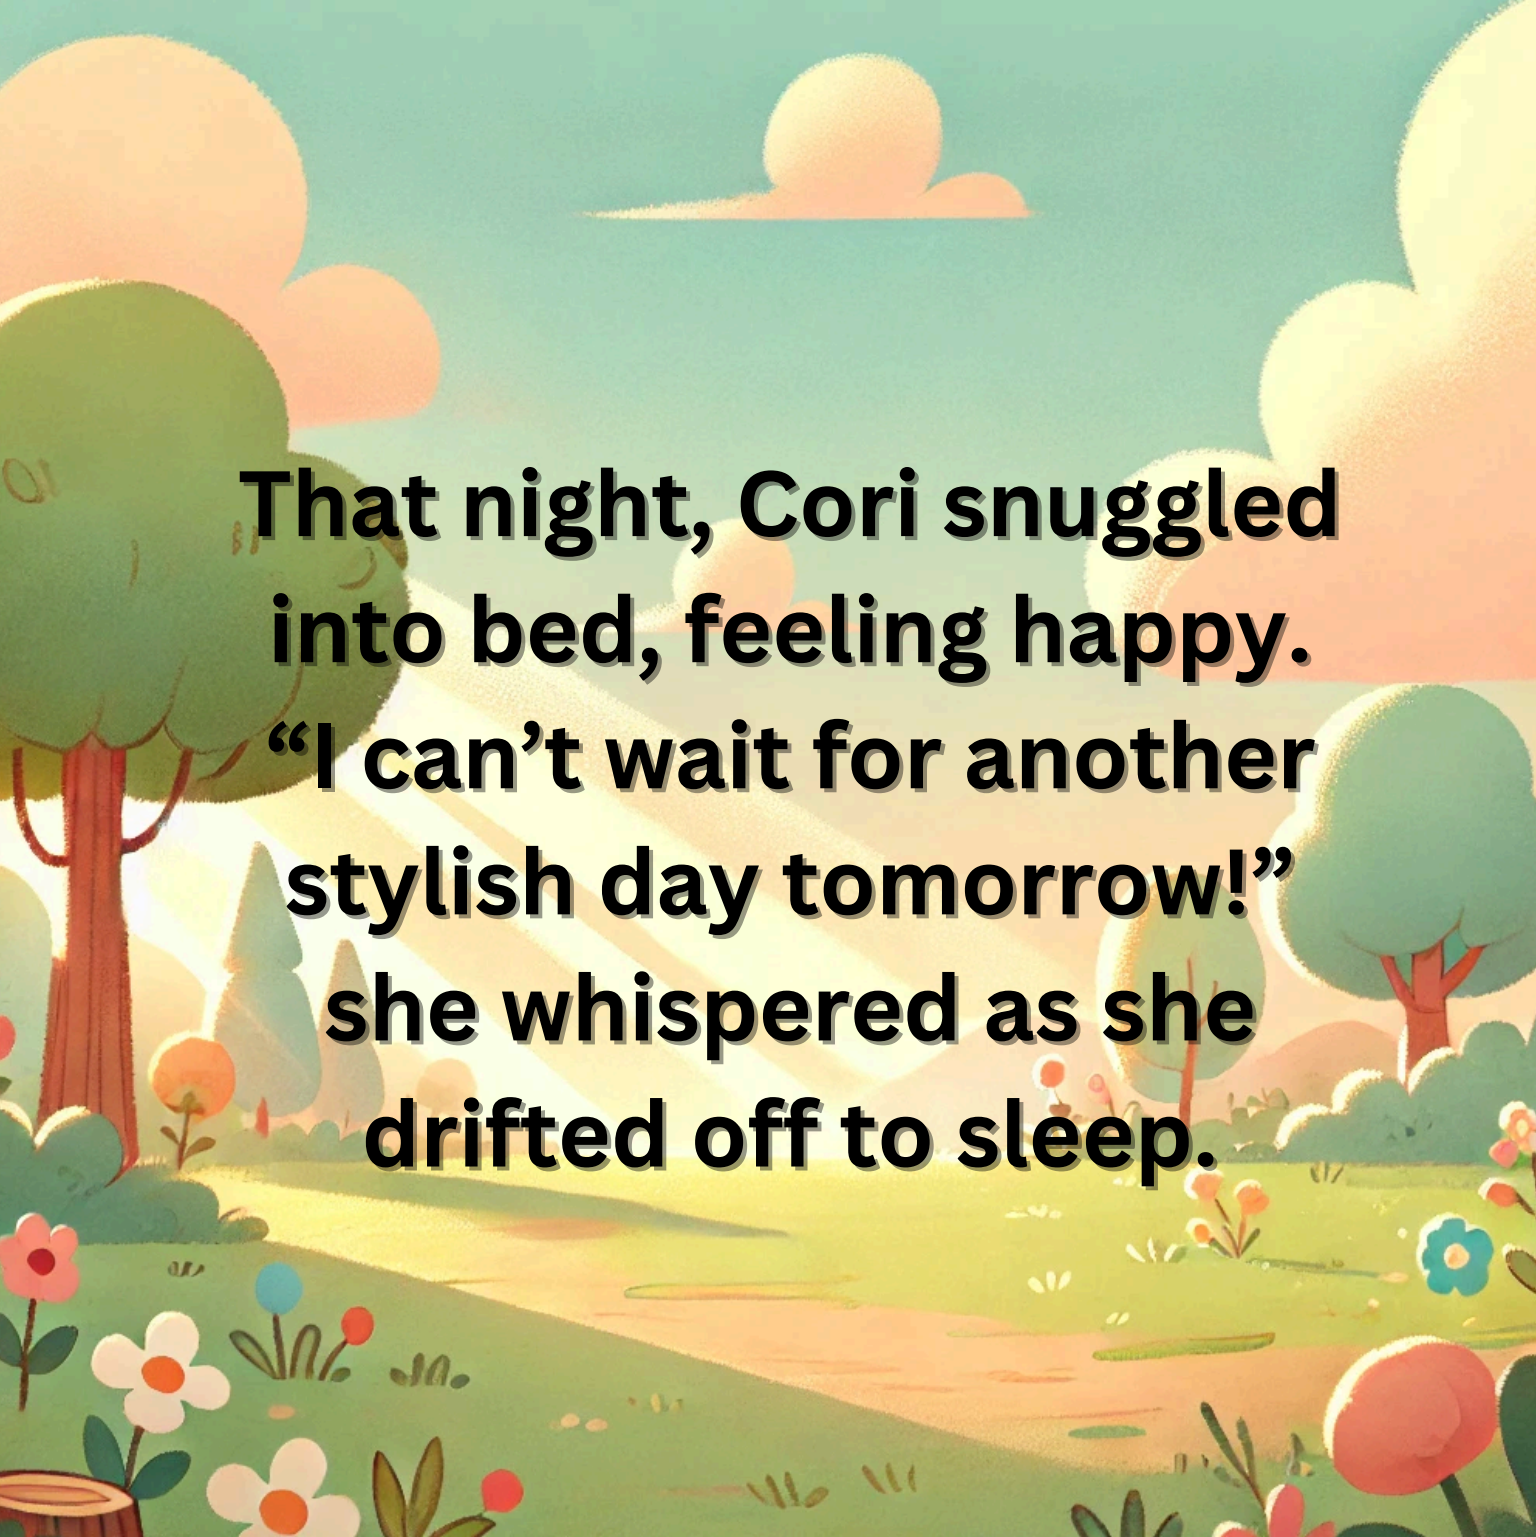

A vibrant, stylized illustration of a sunny landscape. The scene features a winding path through a green field dotted with various flowers, including pink, white, and blue blooms. In the background, there are rolling hills, a large tree on the left, and a bright sun with rays shining across the sky. The overall atmosphere is warm and cheerful, with a color palette dominated by greens, yellows, and oranges.

**After their fashion fun,  
Cori and Eden went for a  
walk. The sun was  
shining, and their comfy  
sneakers made each  
step feel light.**

**That night, Cori snuggled into bed, feeling happy. “I can’t wait for another stylish day tomorrow!” she whispered as she drifted off to sleep.**
